1. Incorporation by Reference. The District Board of Trustees of Broward College, Florida (“BC”) and the undersigned (“Vendor”) hereby incorporate this Supplemental Addendum - General (“Addendum”) into the E&I Cooperative Services Contract EI00077-2021MA between BC and Vendor (the “Agreement”). If this Addendum conflicts with the Agreement’s terms, this Addendum shall control.

2. Payment. Vendor shall submit bills for compensation for goods, services and/or expenses in detail sufficient for a pre-and post-audit. The time at which payment will be due from BC will be approximately thirty (30) days from receipt of an undisputed invoice, acceptance of deliverables, and upon satisfaction of the BC conditions that are detailed herein. In lieu of all provisions in the Agreement pertaining to penalties for late payment, if BC does not issue payment within approximately thirty days of receipt of a proper invoice, BC shall pay Vendor an interest penalty from the date the invoice was due until it was paid at the rate established pursuant to Section 55.03(1), Florida Statutes, if the interest exceeds one dollar. If the term of the Agreement is beyond the current fiscal year for the State of Florida, BC’s performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. BC is immune and/or exempt from the payment of taxes and shall not be responsible for the payment thereof. BC shall provide an appropriate exemption certificate.

3. Relationship of the Parties. Each of the parties is an independent contractor and nothing in the Agreement shall designate any of the employees or agents of one party as employees or agents of the other.

4. Public Records Law. BC is subject to the public records laws of Florida, including records retention requirements, and any provisions in the Agreement pertaining to confidentiality obligations on the part of BC are hereby deleted and shall be of no force and effect. Vendor shall allow public access to all project documents and materials in accordance with the provisions of Chapter 119, Florida Statutes. Should Vendor assert any exemptions to the requirements of Chapter 119 and related statutes, the burden of establishing such exemption, by way of injunctive or other relief as provided by law, shall be upon Vendor and Vendor shall bear all costs and fees related to the same.

If Vendor meets the definition of “contractor” under Section 119.0701, Florida Statutes, in addition to other Agreement requirements provided by law, Vendor must comply with public records laws, and shall:

- (a) Keep and maintain public records required by BC to perform the service.
- (b) Upon request from BC, provide BC with a copy of the requested records or allow the records to

be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if Vendor does not transfer the records to BC.

(d) Upon completion of the Agreement, transfer, at no cost, to BC all public records in possession of Vendor or keep and maintain public records required by BC to perform the service. If Vendor transfers all public records to BC upon completion of the Agreement, Vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Vendor keeps and maintains public records upon completion of the Agreement, Vendor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to BC, upon request from BC’s custodian of public records, in a format that is compatible with the information technology systems of BC.

(e) IF VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO VENDOR’S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT BC AT (954) 201-7639, LEGALSERVICES@BROWARD.EDU, OR 111 EAST LAS OLAS BOULEVARD, #523, FORT LAUDERDALE, FL 33301.

IN ADDITION, VENDOR ACKNOWLEDGES THAT THE BC CANNOT AND WILL NOT PROVIDE LEGAL ADVICE OR BUSINESS ADVICE TO VENDOR WITH RESPECT TO ITS OBLIGATIONS PURSUANT TO THIS SECTION RELATED TO PUBLIC RECORDS. VENDOR FURTHER ACKNOWLEDGES THAT IT WILL NOT RELY ON BC OR ITS COUNSEL TO PROVIDE SUCH BUSINESS OR LEGAL ADVICE, AND THAT VENDOR IS HEREBY ADVISED TO SEEK BUSINESS/LEGAL ADVICE WITH REGARD TO PUBLIC RECORDS MATTERS ADDRESSED BY THIS AGREEMENT. VENDOR ACKNOWLEDGES THAT ITS FAILURE TO COMPLY WITH FLORIDA LAW AND THIS AGREEMENT WITH RESPECT TO PUBLIC RECORDS SHALL CONSTITUTE A MATERIAL BREACH OF THIS AGREEMENT AND BE GROUNDS FOR TERMINATION.

5. Sovereign Immunity. Nothing in the Agreement shall act, or be construed to increase or alter BC’s liability for tort claims beyond the waiver of sovereign

immunity limits set forth in Section 768.28, Florida Statutes.

6. Compliance. In its performance, Vendor shall, at its own expense, at all times in the term, do the following:

- a. Permits: have all applicable permits, licenses, consents, and approvals necessary;
- b. General: comply with all applicable federal, state, local and rules, regulations, and ordinances and all other governmental requirements; and
- c. Privacy: comply with all applicable state and federal laws and BC policies and procedures governing the use and/or safe-keeping of confidential, highly sensitive, and/or personally identifiable or protected health information (as may be defined by state or federal law), including, but not limited to, the Family Educational Rights and Privacy Act (FERPA), the Health Insurance Portability and Accountability Act (HIPAA), the Gramm-Leach Bliley Act, and the Federal Trade Commission's Red Flags Rule (which implements Section 114 of the Fair and Accurate Credit Transactions Act of 2003). In the event that BC will share with or provide access to Vendor of any protected health information ("PHI"), as may be defined by state or federal law, BC and Vendor will enter into a separate agreement which will govern the use of the PHI. Vendor agrees to include all such terms and conditions contained in any subcontractor or agency contracts providing services on behalf of Vendor.

7. E-Verify. If the Vendor meets the definition of "contractor" under Section 448.095, Florida Statutes, in addition to other contract requirements provided by law, the Vendor shall register with and use the E-Verify system operated by the United States Department of Homeland Security to verify the work authorization status of all its employees hired during the term of this Agreement. The Vendor shall also require all subcontractors performing work under this Agreement to use the E-Verify system for any employees they may hire during the term of this Agreement. The Vendor must provide evidence of compliance to the College as required under Section 448.095, Florida Statutes. Failure to comply with this provision is a material breach of the Agreement, and the College may terminate the Agreement at its sole discretion without liability. The Vendor shall be liable for all costs incurred by the College resulting from the Vendor's noncompliance with the requirements of this section.

8. General Provisions.

- a. State of Florida Public Entity Contracting Prohibitions. Vendor represents, warrants and covenants that it is not currently and, throughout the

term of this Agreement shall not be, ineligible for the award or continuation of this Agreement under Sections 287.133, 287.134 and 287.135, Florida Statutes. Vendor understands and accepts that this Agreement may be void, voidable or subject to immediate termination by BC if the representation, warranty and covenant set forth above is violated. BC, in the event of such termination, shall not incur any liability to Vendor for any work or materials furnished.

b. Warranties. Vendor, at a minimum, warrants that the IP, the goods, and/or services to be provided by Vendor will be free of any material defects and will operate and conform to the specifications provided in all material aspects throughout the term of the Agreement. This warranty shall be in addition to any warranties provided in the Agreement.

c. Marketing. No party shall, except with prior written consent of the other party on each occasion, make any press or media announcements concerning the Agreement or use the name, logos, or trademarks of any other party, or any version, abbreviation, or representation of them, in any advertising or other form of publicity or fundraising without the written permission of the party whose name, logo, or trademark is sought for use.

d. Insurance. BC, as a public body corporate entity, warrants and represents that it is self-funded for liability insurance, with said protection being applicable to officers and employees, while acting within the scope of their employment by or service to BC. Any provision requiring BC to provide or acquire insurance coverage other than such self-insurance shall not be effective. Vendor shall have and maintain the types and amounts of insurance that, at minimum, will cover Vendor's (or subcontractor's) exposure in performing the Agreement and at BC's request, name BC as additional insured on Vendor's policies. All policies shall be in a form and with deductible limits satisfactory to BC, with insurance companies reasonably approved by BC and authorized to do business in the State of Florida, and written as primary coverage (except for professional liability). Certificates of insurance shall be provided to BC upon request and timely renewals of such insurance shall be provided to BC. All insurance policies and certificates shall contain a provision that it will not be cancelled without giving BC thirty (30) days' written notice prior to the effective date of cancellation. Vendor, for and on behalf of itself and each of its insurers, hereby waives any and all rights of subrogation against BC for any loss or damage arising from any cause covered by any insurance required to be carried under the Agreement by any other insurance actually carried by Vendor. Vendor shall provide copies of any insurance policies upon request.

e. Third Parties. BC is not liable for the acts of third parties or the consequences of the acts of third parties. There shall be no third party beneficiaries to the Agreement.

f. Governing Law. The Agreement is governed by the laws of the State of Florida, without regards to its conflicts of law principles. Exclusive venue of any actions shall be in Broward County, Florida. BC is entitled to the benefits of sovereign immunity.

g. Travel Expenses. If BC is responsible for reimbursing Vendor for travel expenses pursuant to the Agreement, bills shall be subject to, and shall be submitted by Vendor in accordance with, § 112.061, F.S. and BC policies and procedures. BC reserves the right not to pay travel expenses unless BC approves such expenses in advance, in writing.

h. Conflicts. Vendor represents that it is aware of the requirements of Chapter 112, Florida Statutes and in compliance with the requirements thereof, and other laws and regulations concerning conflicts of interests in dealing with entities of the State of Florida. Vendor certifies that its directors and/or principal officers are not employed and/or affiliated with BC unless a current Conflict of Interest (Report of Outside Activity/Employment) form has been completed, executed by such director or officer and approved in accordance with applicable BC policies or rules. Violation of this section shall be grounds for termination of the Agreement.

i. Termination. Upon giving at least thirty (30) days' written notice to Vendor, BC may terminate the Agreement, at any time, with no further obligation to Vendor, other than to pay for any goods received or services rendered in compliance with the Agreement prior to the effective date of termination. BC shall not be liable for any early termination charges.

j. Records. Vendor agrees to keep and maintain, separate and independent records pertinent to the performance of the Agreement, in accordance with generally accepted accounting principles. BC or its authorized agent shall have the right to audit and inspect such records from time to time during the term of the Agreement, upon reasonable notice to Vendor.

k. Deletion. Any term and/or condition in the Agreement on the following subject matters are hereby deleted in their entirety and declared null and void: (a) grants of exclusivity by BC to Vendor; (b) restrictions on the hiring of Vendor's employees; (c) BC's responsibility to pay intangible taxes, property taxes, or sales taxes; (d) automatic renewals of the term of the Agreement; (e) limitations of time to bring suit or claims; (f) granting Vendor any right to audit BC; (g) Attorneys' or collection fees provisions; (h) arbitration and mediation clauses; and (i) indemnification of Vendor by BC.

l. Assignment. Vendor shall not assign, transfer, delegate, subcontract, or otherwise dispose of, whether voluntarily, involuntarily, or by operation of law, any right or obligation under the Agreement without the prior written consent of BC, not to be unreasonably withheld. Any such unapproved assignment, subcontracting or transfer is void. No subcontracting or delegation shall in any event relieve Vendor of any obligation or liability under the Agreement.

By signing below, Vendor's authorized representative agrees to incorporate this Addendum into the Agreement, and hereby executes this Addendum as of the date set forth below.
