

EXECUTIVE SUMMARY

Pursuant to Broward College Policy 6Hx2-1.14 and Procedure A6Hx2-1.14, Dr. Donald Astrab exercised the authority delegated by the Board to execute the non-standard agreement with MediaNews Group, Inc. to license the subscription to Sun Sentinel Online for 2024-2027 by utilizing the bid-waiver (information technology). Fiscal Impact \$19,059.00

Presenter(s): Priscilla Suarez, Vice Provost, Academic Services

What is the purpose of this contract and why is it needed?: This subscription will provide full text access to The Sun Sentinel Online and its accompanying electronic resources, thereby making it available through the Broward College Libraries to our patrons. Importantly, it will increase access to local news and events in real time and provide the latest reporting and alerts to all students, faculty and staff.

What procurement process or bid waiver was used and why? The College used the bid waiver exemption provided for the information technology resources in accordance with FLDOE Rule 6A-14.0734(2)(g) and College Procedure 6AHx2-6.34 which cites the exception to the requirement to solicit competitive offers.

Is this a budgeted expenditure from the budget established at the last June Board of Trustees meeting?
Yes.

What fund, cost center and line item(s) were used?: CC0191 Library Operations, FD100 Unrestricted Operating Fund.

Has Broward College used this vendor before for these products or services? No.

Was the product or service acceptable in the past? Not Applicable.

Was there a return on investment anticipated when entering this contract? Not Applicable.

Was that return on investment not met, met, or exceeded and how? Not Applicable.

How does this impact student success: Students benefit from having access to articles, eBooks, and electronic database materials to support their course work. This resource is also a heavily used local news source that will include current events, weather, and emergency service tools.

Does this directly or indirectly feed one of the Social Enterprise tactics and how?: This item helps to support the "big bet" of Guaranteeing Access to Higher Education. The Sun Sentinel is a major local news source that supports our students by providing a resource that makes it easier for students to complete their work and provide safety information for them and the campus at large. Providing electronic resources to support faculty in their instruction also helps to guarantee access to higher education.

Did the vendor amend Broward College's legal terms and conditions [to be answered by the Legal Office] if the College's standard contract was used and was this acceptable to the Legal Office?

The General Counsel's office has reviewed the agreement and any deviation to the College's standard terms has been deemed acceptable.

FISCAL IMPACT:

VENDOR ACKNOWLEDGES THAT ITS FAILURE TO COMPLY WITH FLORIDA LAW AND THIS AGREEMENT WITH RESPECT TO PUBLIC RECORDS SHALL CONSTITUTE A MATERIAL BREACH OF THIS AGREEMENT AND BE GROUNDS FOR TERMINATION.

5. Sovereign Immunity. Nothing in the Agreement shall act, or be construed to increase or alter BC’s liability for tort claims beyond the waiver of sovereign
