Presenter(s): Jeffrey Guild, Vice Provost of Academic Affairs

1. Describe the purpose of this purchase of goods, services, information technology, construction, or use of space. The membership with AAFPE provides professional development for Broward College paralegal faculty through networking opportunities. They also provide guidance in assisting us with maintaining our accreditation with the American Bar Association.

2. Describe the competitive solicitation method used or, if none, the exemption relied on for bid waiver. Small purchase for Category One (\$0.00 - \$10,000) per College Procedure A6Hx2-6.34 was used, where there are no formal or informal competitive requirements for goods and services acquired by the College at this dollar threshold. Membership dues, per the Florida Statute 119.01(3) requires that all financial, business and membership records held by the organization in relation to the individual(s) or organization(s) for whom a purchase order is being issued are to be considered public records and shall be subject to the provisions of Florida Statute 119.07.

3. Describe business rationale for the purchase and how it was procured.

(A) What is the benefit of the purchase. If there is an ROI, describe the ROI and how calculated. This membership offers professional development and training in the latest skills, ensuring our students are well-prepared to enter the workforce with up-to-date knowledge and expertise.

(B) How does the purchase support the Strategic Business Plan. Not applicable.

(C) If applicable, what is the rationale for the use of piggybacks, existing contract extensions, bid waivers in lieu of the College conducting a competitive solicitation. Not Applicable.

(D) If a competitive solicitation process was conducted by the College, describe the process. Not Applicable.

4. Did the vendor amend Broward College's legal terms and conditions [to be answered by the Legal Office] if the College's standard contract was used and was this acceptable to the Legal Office? The General Counsel's office has reviewed the agreement and any deviation to the College's standard terms has been deemed acceptable.
