Was there a return on investment anticipated when entering this contract? Yes.

Was that return on investment not met, met, or exceeded and how? The return on investment will be met upon the performance of the contract.

Does this directly or indirectly feed one of the Social Enterprise tactics and how? To provide students with a best-in-class learning environment.

Did the vendor amend Broward College's legal terms and conditions [to be answered by the Legal Office] if the College's standard contract was used and was this acceptable to the Legal Office?

The General Counsel's office has reviewed the agreement and any deviation to the College's standard terms has been deemed acceptable.
