Recommendation that the Broward College District Board of Trustees authorize the standard agreement (contract for services) with FleetForce LLC dba FleetForce Truck Driver Training and Rock Gate Capital LLC dba 160 Driving Academy (RFP-2024-019-OA - CDL TRAINING SERVICES) to provide commercial drivers license (CDL) training services in support of sustaining the Job Growth Workforce Training Grant. Fiscal Impact: Estimated \$10,000,000.00 (\$2,000,000.00/year) spend over 5 years through various funding sources.

Presenter(s): Dr. Steven Tinsley, Vice President, Workforce Education and Strategic Partnerships

What is the purpose of this contract and why is it needed?

The purpose of this contract is to fulfill the requirements of the Florida Job Growth Workforce Training Grant Agreement with the State of Florida Department of Economic Opportunity. In 2023, Broward College entered into the Florida Job Growth Workforce Training Grant Agreement, which requires the college to provide a Commercial Driving School through 2033 and certify 2,500 program completers during that period. As part of the College's grant proposal, Fleet Force Commercial Driving School was named as the sole subrecipient of the grant, designated to perform driver training for the first year of the Commercial Driver's License (CDL) program, aligning with one of the grant's objectives. In order to achieve the grant deliverables, more vendors must be added to the project. This grant allocated initial funding of \$2.6 million in funding, of which \$1.8 million was used for student scholarships to attend the school.

This contract is necessary to establish a pool of licensed and qualified CDL training providers to ensure the college can meet the grant's deliverables by providing comprehensive CDL license training and testing at a competitive price to our students.

What procurement process or bid waiver was used and why?

A formal competitive solicitation process was used per FLDOE Rule 6A-14.0734 and College Procedure A6Hx2-6.34. The College's Procurement department processed a Request for Proposal (RFP) RFP-2024-019-OA for Commercial Driver's License (CDL) Training Services. The Job Growth Grant allocated initial funding of \$2.6 million to fund student scholarships to attend the school in the first year of the project. Future years of the project will need to be funded through other sources. Broward College policy allows solicited funds from other sources to be paid to vendors for services that help to achieve employment goals. However, policy prohibits the use of funds solicited from other sources to be paid to College grant subrecipients, therefore the RFP process was necessary to establish vendors to provide training services under the grant.

Is this a budgeted expenditure from the budget established at the last June Board of Trustees meeting?

No, this project was separate from the June budgeting process. The contract will be funded through other funding sources including Workforce Innovation and Opportunity Act (WIOA) funds and private funding sources.

What fund, cost center and line item(s) were used? Various; Including Lennar grant worktags: BU308; CC0743; FD206; PG000369; GR001187.

Has Broward College used this vendor before for these products or services?

One of the vendors (Fleet Force) has been used as the original subrecipient of the grant. The other respondents have not been used as vendors at Broward College. Fleet Force, however, was the grant-designated subrecipient to provide the CDL training based on the established subrecipient grant agreement.

Was the product or service acceptable in the past?

Yes, the service was acceptable. 96% of program participants obtained a CDL in the first year of the grant.

Was there a return on investment anticipated when entering this contract?

Yes. The anticipated return on investment was a minimum of 250 participants completing the program in the first year.

Was that return on investment not met, met, or exceeded and how?

Yes. The anticipated return on investment was exceeded. A total of 295 students enrolled and 284 successfully acquired their CDL. Of those who obtained their CDL, over 110 students have immediately secured employment, earning an average annual salary of approximately \$52,000.

Does this directly or indirectly feed one of the Social Enterprise tactics and how?

Broward College's Social Enterprise tactics focus on enhancing education, workforce development, economic mobility, and community needs. The CDL training program supports these tactics by providing accessible training and certification, addressing an industry shortage of 11,000 qualified drivers, improving employment prospects with an average salary of \$52,000 for graduates, and meeting local industry demands. Additionally, through scholarships, the program reduces financial barriers and increases access to career training, aligning with the college's mission to create social and economic value in the community.

Did the vendor amend Broward College's legal terms and conditions [to be answered by the Legal Office] if the College's standard contract was used and was this acceptable to the Legal Office?

The General Counsel's office has reviewed the agreement and any deviation to the College's standard terms has been deemed acceptable.

9. PUBLIC RECORDS/REQUEST FOR CONTRACTOR RECORDS.

The Vendor shall allow public access to all project documents and materials in accordance with the provisions of Chapter 119, Florida Statutes. Should the Vendor assert any exemptions to the requirements of Chapter 119 and related statutes, the burden of establishing such exemption, by way of injunctive or other relief as provided by law, shall be upon the Vendor and Vendor shall bear all costs and fees related to the same.

Both Parties are free to enter into contracts with other Parties for similar services. The College assumes no duty with regard to the supervision of the Vendor and the Vendor shall remain solely responsible for compliance with all safety requirements and for the safety of all persons and property at the site of performance under the Contract. The Vendor shall also require all subcontractors performing work under this Agreement to use the E-Verify system for any employees they may hire during the term of this Agreement. The Vendor must provide evidence of compliance to the College as required under Section 448.095, Florida Statutes. Failure to comply with this provision is a material breach of the Agreement, and the College may terminate the Agreement at its sole discretion without liability. The Vendor shall be liable for all costs incurred by the College resulting from the Vendor’s noncompliance with the requirements of this section.

28. CHANGE IN PERSONNEL.

The College may at any time and at its sole discretion request that the Vendor replace any Vendor personnel provided by the Vendor to work on this Contract if the College believes that it is in the best interest of the College to do so. The College may, but will not be required to, provide a reason for requesting the replacement of personnel. Such change in personnel shall be made immediately upon the College’s written request for a change of personnel. The Vendor shall place the above language in any contract that it has with subcontractors. The Vendor will enforce the replacement of subcontractor personnel upon a request by the College.

29. BACKGROUND CHECKS.

This clause applies to long term Vendors working on site, including, but not limited to, Janitorial Services, Food Services and Security. In addition, this clause applies to Vendors providing childcare services, on site or off site. The background checks shall consist of education verification, a national criminal check for state and federal felonies and misdemeanors, and a check on immigration status in accordance with the above provision titled “E-VERIFY.” After reviewing the results of the background check, the Vendor shall determine whether the Vendor’s employee and/or hired worker meets the necessary criteria for the position sought to be filled by the College. The College will rely on the Vendor’s assessment of its employees’ or hired workers’ suitability to be hired for the position(s) sought to be filled by the College, based on the background check conducted by the Vendor. Prior to allowing any employees or hired workers to work on-site at College facilities, the Vendor will provide written verification to the College that a complete background check, as described above, was conducted for any such employee or hired worker. The Vendor will place the above language in any contract that it has with its subcontractors and is responsible for enforcement of this provision.

Vendor who has long term onsite workers performing work at College facilities agrees to be bound by the College policies and standards of conduct listed in the “Contractor Policy Code Acknowledgement Form,” which is attached hereto and incorporated herein as Exhibit “B.”

Vendor expressly understands and agrees that Vendor, its officers, agents, and employees, are not entitled to any employment benefits from the College.

32. STOP WORK ORDER.

The College may order that all or part of the work stop if circumstances dictate that this action is in the College’s best interest. Such circumstances may include, but are not limited to, unexpected technical developments, direction given by the College’s Board of Trustees, a condition of immediate danger to the College, the Vendor or the public, or the possibility of damage to equipment or property. This provision shall not shift responsibility for loss or damage, including but not limited to, lost profits or consequential damages sustained as a result of such delay, from the Vendor to the College. If this provision is invoked, the College shall notify the Vendor in writing to stop work as of a certain date and specify the reasons for the action, which shall not be arbitrary or capricious. The Vendor shall then be obligated to suspend all work efforts as of the effective date of the notice and until further written direction from the College is received. If deemed appropriate by the College and in the event work is resumed, the College may amend this Contract to reflect any changes to the Statement of Work and/or the project schedule.

This SOW is subject to the terms and conditions of the following documents, attached hereto, and incorporated herein by reference:

1. Pricing Information (Exhibit A-1).

In the event of any conflict between the Contract and the SOW and the exhibits attached thereto, the conflict shall be resolved by giving precedence in the following order:

- a) The Contract;
- b) The SOW – Exhibit A;

ADDITIONAL PRODUCTS AND/OR SERVICES MAY BE ADDED OR DELETED:

Although this Contract identifies specific products and/or services, it is hereby agreed and understood that products and/or services may be added to or deleted from this Contract at the option of the College upon 30 day written notice. Additionally, the College may upon mutual agreement with the Vendor, require, by written order, changes altering, adding to, or deducting from the Contract specifications, provided that such changes are within the general scope of the Contract.

In addition, the College reserves the right in its best interest to re-award to the next approved Vendor or to review its needs to re-solicit.

CONTRACT ADMINISTRATION. The responsibility and authority for the administration of this Contract shall be assigned to the Grants Management Department, hereinafter referred to as the "Contract Administrator". In the event that the applicable index indicates a negative price trend, the College reserves the right to request a reduction in Contract prices equal to the percentage of change. The College reserves the right to not grant price adjustments or to not renew any contract regardless of price considerations.

27. E-VERIFY.

If the Vendor meets the definition of “contractor” under Section 448.095, Florida Statutes, in addition to other contract requirements provided by law, the Vendor shall register with and use the E-Verify system operated by the United States Department of Homeland Security to verify the work authorization status of all its employees hired during the term of this Agreement. The Vendor shall also require all subcontractors performing work under this Agreement to use the E-Verify system for any employees they may hire during the term of this Agreement. The Vendor must provide evidence of compliance to the College as required under Section 448.095, Florida Statutes. Failure to comply with this provision is a material breach of the Agreement, and the College may terminate the Agreement at its sole discretion without liability. The Vendor shall be liable for all costs incurred by the College resulting from the Vendor’s noncompliance with the requirements of this section.

28. CHANGE IN PERSONNEL.

The College may at any time and at its sole discretion request that the Vendor replace any Vendor personnel provided by the Vendor to work on this Contract if the College believes that it is in the best interest of the College to do so. The College may, but will not be required to, provide a reason for requesting the replacement of personnel. Such change in personnel shall be made immediately upon the College’s written request for a change of personnel. The Vendor shall place the above language in any contract that it has with subcontractors. The Vendor will enforce the replacement of subcontractor personnel upon a request by the College.

29. BACKGROUND CHECKS.

This clause applies to long term Vendors working on site, including, but not limited to, Janitorial Services, Food Services and Security. In addition, this clause applies to Vendors providing childcare services, on site or off site. Vendor shall conduct thorough background checks for all of the Vendor’s employees or hired workers who will be working on any College site. The background checks shall consist of education verification, a national criminal check for state and federal felonies and misdemeanors, and a check on immigration status in accordance with the above provision titled “E-VERIFY.” After reviewing the results of the background check, the Vendor shall determine whether the Vendor’s employee and/or hired worker meets the necessary criteria for the position sought to be filled by the College. The College will rely on the Vendor’s assessment of its employees’ or hired workers’ suitability to be hired for the position(s) sought to be filled by the College, based on the background check conducted by the Vendor. Prior to allowing any employees or hired workers to work on-site at College facilities, the Vendor will provide written verification to the College that a complete background check, as described above, was conducted for any such employee or hired worker. The Vendor will place the above language in any contract that it has with its subcontractors and is responsible for enforcement of this provision.

Vendor who has long term onsite workers performing work at College facilities agrees to be bound by the College policies and standards of conduct listed in the “Contractor Policy Code Acknowledgement Form,” which is attached hereto and incorporated herein as Exhibit “B.”

No party shall, except with prior written consent of the other party on each occasion, make any press or media announcements concerning the Agreement or use the name, logos, or trademarks of any other party, or any version, abbreviation, or representation of them, in any advertising or other form of publicity or fundraising without the written permission of the party whose name, logo, or trademark is sought for use. In the case of the College, permission must be granted by its Director, Adult and Community Education Programs, CDL (currently Fabricio ArchilaDirector) or that position's designee, and in the case of the other party, permission must be granted by its Burton "Tra" Williams or that position's designee.

31. EMPLOYMENT BENEFITS.

Vendor expressly understands and agrees that Vendor, its officers, agents, and employees, are not entitled to any employment benefits from the College.

32. STOP WORK ORDER.

The College may order that all or part of the work stop if circumstances dictate that this action is in the College's best interest. Such circumstances may include, but are not limited to, unexpected technical developments, direction given by the College's Board of Trustees, a condition of immediate danger to the College, the Vendor or the public, or the possibility of damage to equipment or property. This provision shall not shift responsibility for loss or damage, including but not limited to, lost profits or consequential damages sustained as a result of such delay, from the Vendor to the College. If this provision is invoked, the College shall notify the Vendor in writing to stop work as of a certain date and specify the reasons for the action, which shall not be arbitrary or capricious. The Vendor shall then be obligated to suspend all work efforts as of the effective date of the notice and until further written direction from the College is received. If deemed appropriate by the College and in the event work is resumed, the College may amend this Contract to reflect any changes to the Statement of Work and/or the project schedule.

ADDITIONAL PRODUCTS AND/OR SERVICES MAY BE ADDED OR DELETED:

Although this Contract identifies specific products and/or services, it is hereby agreed and understood that products and/or services may be added to or deleted from this Contract at the option of the College upon 30 day written notice. During the Contract Term, if a need arises for a product and/or service not included in the resulting Contract, the College may request a quote for a specific product and/or service. Additionally, the College reserves the right to purchase products and/or services throughout the Term of this Contract from alternate contract sources when it is determined to be in the best interest of the College.

Additionally, the College may upon mutual agreement with the Vendor, require, by written order, changes altering, adding to, or deducting from the Contract specifications, provided that such changes are within the general scope of the Contract.

The College representative will notify the Vendor of any contract deficiencies verbally and in writing. The situation must be remedied within a time period relative to the gravity of the situation and the representative of the College shall be notified when corrections have been completed. If, in the opinion of the College, the deficiencies observed are not satisfactorily corrected within a reasonable amount of time, the College reserves the right to terminate the Contract per the termination of contract provisions. In addition, the College reserves the right in its best interest to re-award to the next approved Vendor or to review its needs to re-solicit.

CONTRACT ADMINISTRATION. The responsibility and authority for the administration of this Contract shall be assigned to the Grants Management Department, hereinafter referred to as the "Contract Administrator". The Vendor will be required to appoint one or more primary account representatives to work with the College in the administration of this Contract. In the event this representative does not meet the College's requirements, the Vendor agrees that it will assign a replacement immediately.

Requests for price adjustments shall be fully documented and shall not exceed the percentage of change in the applicable index, as determined by the College, established by the Bureau of Labor Statistics (www.bls.gov). In the event that the applicable index indicates a negative price trend, the College reserves the right to request a reduction in Contract prices equal to the percentage of change. The College reserves the right to not grant price adjustments or to not renew any contract regardless of price considerations.

EQUITABLE ADJUSTMENT. The College may, in its sole and absolute discretion, after receipt of a written request therefor by the Vendor and any other documentation, data or information reasonably requested by the College including with respect to any material change in the allocation of rights, obligations, risks, and liability between the College and the Vendor and the financial, technical, construction, commercial, and economic viability of and consistency with the parties objectives and goals for the project, make an equitable adjustment in the Contract terms or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the Vendor's control, (2) the volatility affects the marketplace or industry, not just the particular Contract source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the Vendor that continued performance of the Contract would result in a substantial loss.
