Dear Jesse,

Thank you for your recent contribution to Trinity Foundation and the 2023 *Swing for a Cure* golf outing. Together, we can continue to make a difference in the lives of children and adults in our community who suffer from this life-threatening disease.

Proceeds from the golf outing are used to support the Diabetes Center at Trinity Regional Medical Center and provide patient, community and staff education related to diabetes. Diabetes affects nearly 24 million children and adults in the United States. Friends, families, and neighbors are also touched by this disease. Charitable gifts also allow Trinity Diabetes Center to send children living in our eight-county service region to Camp Hertko Hollow near Boone, Iowa. This residential camp helps children who have been newly diagnosed with diabetes learn disease management skills as well as gain independence and a positive attitude for controlling diabetes. Your generosity is vital as we continue our efforts to help people with diabetes and invest in the health of future generations.

Again, we thank you for your support. Your gift to Trinity Diabetes Center will truly make a difference in the lives of patients and in the health of our community. For tax purposes, please use this letter as your receipt. Your check in the amount of \$209.16 was processed on May 17, 2024. Also note for IRS guidelines, goods and services were received in consideration for this gift. Your total charitable contribution is \$200.00.

Warm regards,
