

Medical and Dental Insurance

1. Procedure Summary Statement

To establish principles for medical and dental insurance.

2. Definitions

N/A

3. Procedure

1. Northeast Community College shall provide family group medical insurance for all eligible employees. The percentage of premium paid by the College shall be approved by the Board of Governors.
 2. Northeast Community College shall provide single group dental insurance for all eligible employees and provide the employee with the option of purchasing up to family group dental insurance.
 3. Active Members of the Northeast Community College Board of Governors are eligible to enroll in the College's group medical and dental insurance. Board Members who elect to enroll in medical and/or dental insurance shall be responsible for premium payments.
