

# The Faculty Association

---

## 1. Procedure Summary Statement

To establish procedures on recognizing The Faculty Association.

## 2. Definitions

N/A

## 3. Procedure

1. All professional personnel of the college engaged in teaching are eligible, by virtue of employment, to become members in the Northeast Community College Education Association (NCCEA).
  2. The organization and structure of the Faculty Association will be determined by a Faculty Association Constitution.
  3. Annual dues for membership in the Faculty Association will be determined by the Faculty Association Constitution.
  4. The Board of Governors of Northeast Community College recognizes the NCCEA as an independent local organization of the professional instructional staff.
  5. The Faculty Association will elect and appoint qualifying member for contract negotiations.
  6. The Executive Committee of the NCCEA is recognized by the Board of Governors of Northeast Community College as the governing body of the Faculty Association, with responsibilities as outlined in the NCCEA Constitution.
