Humayun J. Chaudhry, DO, MACP

From the Office of the CEO

Each year, we are grateful for the many individuals who offer their time, talent and expertise to strengthen medical regulation and enhance public protection by serving on FSMB committees and workgroups. We are currently seeking the state medical board community's input for the following:

- Nominations for Elected Positions to the FSMB Board of Directors and Nominating Committee
- Nominations for Staff Fellows to the FSMB Board of Directors
- Applications for Appointments to Standing/Special Committees and Workgroups

Please [click here](#) for more information on each of these opportunities. The submission deadline for all leadership positions is **December 15, 2024**.

FSMB's Virtual Education Program offers CME credit

FSMB offers webinars, symposiums and other events through its Virtual Education Program. CME credits are available for participation in many of these events.

New in *JMR*: 'Risk Based Regulation in Quality Assurance'

In the largest known study of its type, authors from the College of Physicians and Surgeons of British Columbia discuss using a regulator-mandated peer review to empirically identify physicians who are at risk of substandard performance.
