Good morning Alex,

Attached is the agenda for the Summit that Dennis Pollock and I attended. It was sponsored by IMEG Corp in Illinois. The first session was 10 hours with a 1 hour lunch break. The second session was 7.5 hours with a 1 hour lunch break.

I am seeking 15.5 contact hours (3.88 CEU'S) which excludes the 1 hour lunch break.

This was a unique conference, as it involved Surveyors across the country coming together to learn leadership techniques for mentoring our young surveyors. It also involved ways that we can promote our profession. Of the 55 attendees it was alarming to see that 80 % or more plan to retire within 3-5 years. Of those that will be leaving, only 5 had young surveyors that may succeed them.

My renewal for my LLS is due before the end of January, So if it was possible to find out if this training is acceptable or not before then it would be helpful.

I understand the board may be meeting before the scheduled meeting in March.

I would appreciate it if this request could be added to the agenda.

Let me know if you have any questions.

Best Regards,

Lee B. Gagnon, LLS, PLS
Principal Surveyor
