ELIGIBLE USES

The following are eligible uses of American Rescue Plan Act funds taken from the Interim Final Rule created and distributed by the Treasury Department. Should the Treasury Department update the Interim Final Rule to expand eligible uses, this list will be updated, distributed, and posted to the Lee County website at www.leecountyil.com

Assistance to Individuals and Households.

Assistance is available to households facing negative economic impacts due to COVID-19. In considering whether a potential use is eligible under this category, an Agency must consider whether, and the extent to which, the household has experienced a negative economic impact from the pandemic. You may presume that a household or population that experienced unemployment or increased food or housing insecurity or is low- or moderate-income experienced negative economic impacts resulting from the pandemic. Examples include:

- Food Assistance (Maximum of \$1,000 per household)
- Rent, Mortgage and/or Utility Assistance (Maximum of \$1,500.00 per client)
- Counseling and Legal Aid to prevent homelessness (Maximum of \$2,000.00 per client)
- Cash Assistance (Maximum of \$1,400.00 per client)
 - Per the Interim Final Rule, Cash Assistance must be reasonably proportional to the negative economic impact they are intended to address. Cash transfers grossly in excess of the amount needed to address the negative economic impact identified by the recipient would not be considered to be a response to the COVID-19 public health emergency or its negative impacts. In particular, when considering the appropriate size of permissible cash transfers made in response to the COVID-19 public health emergency, State, local and Tribal governments may consider and take guidance from the per person amounts previously provided by the Federal government in response to the COVID-19 crisis. Cash transfers that are grossly in excess of such amounts would be outside the scope of eligible uses. In addition, an Agency could provide survivor's benefits to surviving family members of COVID-19 victims, or cash assistance to widows, widowers, and dependents of eligible COVID-19 victims.
- Emergency Assistance for burials (Maximum of \$5,000.00 per client)
- Home Repairs (Maximum of \$1,500.00 per client)
- Weatherization (Maximum of \$1,500.00 per client)
- Internet Access & Digital Literacy Assistance (Maximum of \$1,000.00 per client)

Assistance to Not-for-Profit Agencies

Assistance is available to not-for-profit agencies who faced significant challenges in covering payroll, mortgages, or rent and other operating costs as a result of the COVID 19 Public Health Emergency, and measures taken to contain the spread of the virus. Assistance is also available to not-for-profit agencies to adopt safer operating procedures, weather periods of closure, or mitigate financial hardship resulting from the COVID 19 public health emergency. Examples include:

- Grants to mitigate financial hardship such as declines in revenues or impacts of periods of business closure, for example by supporting payroll and benefits costs, costs to retain employees, mortgage, rent, or utilities costs, and other operating costs.
- Grants or in-kind assistance to implement COVID-19 prevention or mitigation tactics, such as physical plant changes to enable social distancing, enhanced cleaning efforts, barriers or partitions, or COVID-19 vaccination, testing, or contact tracing programs.
- Technical assistance, counseling, or other services to assist with business planning needs that respond to the negative economic impact of the COVID-19 Public Health Emergency-subject to review and approval by the ARPA Committee

Federal Funding Subrecipient Guidelines

Lee County's Federal funds awarded through American Rescue Plan Act-State & Local Fiscal Recovery Funds are used for this award process for Community Service Agencies. \$250,000.00 of Lee County's Federal American Rescue Plan Act-State & Local Fiscal Recovery funds were allocated and made available for social service agencies allowing a funding maximum of \$10,000.00 per agency. In order to receive these funds, all applicants must comply with the following subrecipient guidelines.

A **subrecipient** is defined by the Federal Government as: an entity, usually but not limited to non-Federal entities, that receives a subaward from a pass-through entity (Lee County is the pass-through entity) to carry out part of a Federal award; but does not include an individual that is a beneficiary of such award. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

When a subrecipient is awarded funds by Lee County they enter into what is called a **subaward** which is defined by the Federal Government as: an award provided by a pass-through entity (Lee County is the pass-through entity) to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

The following are guidelines set forth by the Federal Government for compliance with recipients of a subaward of federal funds. In this case, Lee County's Federal funds awarded through American Rescue Plan Act-State & Local Fiscal Recovery Funds and offered as an assistance program for Community Service Agencies.

- a. Definitions used within this section and full details on these requirements can be located at 2 CFR 200.1 and 2 CFR 200.332 or <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200>
- b. Funds awarded in this Agreement are not to be used for research and development purposes
- c. No indirect costs are allowed within this Agreement.
- d. These funds must be used in accordance with Federal statutes, regulations and terms and conditions of the Federal award.
- e. The subrecipient must permit Lee County and auditors to have access to the subrecipient's records and financial statements as necessary to meet requirements of this award.
- f. Subrecipient allows Lee County to monitor the activities of subrecipient to ensure that this subaward is used for purposes, in compliance with Federal Statutes, regulations, terms and conditions of the subaward including reviewing financial and performance reports as required by this Agreement, following up and ensuring that subrecipient takes timely and appropriate action on all deficiencies pertaining to federal funds detected through audits, on-site reviews, and written confirmation from subrecipient highlighting the status of actions planned or taken to address Single Audit findings related to the award.
- g. Evaluation of the subrecipients risk of non-compliance with Federal statutes, regulations, and terms and conditions of this subaward.
- h. Results of previous audits including whether or not the subrecipient receives a Single Audit and the extent to which the same or similar subaward has been audited as a major program.
- i. If the subrecipient receives Federal awards directly from a Federal awarding agency, the extent and results of Federal award agency monitoring.

Request for American Rescue Plan Act Funds

Community Service Agency - Funding Request

Request: \$10,000

Description of the Intended Use of the Funding

The Green River Saddle Club ("GRSC") was established in 1955 as a not-for-profit and has been supporting the area community since that time. Many people have used the banquet facility to host wedding receptions, birthday parties, and charitable benefits for loved ones. However, GRSC experienced a significant loss in revenue when the facility was forcefully closed due to COVID-19. The situation was so dire that private donations from supporters were necessary to pay even utility bills to avoid its doors from closing permanently.

GRSC is requesting \$10,000 to make the required safety improvements to the facility and to assist in paying utilities and operating costs.

Some of the required improvements needed are:

- improved ventilation system over the grill in the kitchen area that is used for cooking
- exterior siding of the building needs replaced
- doors need to be sealed from the elements
- heating and air system for the building is outdated and needs upgraded.

The money we are requesting would cover a portion of these repairs, and the GRSC is working on raising funds to pay the remainder of these costs.

Thank you for your consideration,
