EMA Office Activity for the Month of August 2024

Director Lalley presented ICS700 training at KSB Hospital for internal staff and has been asked to return and conduct an ICS100 level training.

The 8x8 video matrix switch in the command trailer failed. A new switch was ordered and arrived in time to be installed and was operational for the Depot Days event.

Lee County EMA participated in the National Night Out. The Command Trailer and drones were on display. Numerous visitors viewed the Command Trailer and asked questions on its use and origin. LCVC members were prepared to land a medical. Due to the overcast conditions the helicopter could not fly that evening.

The Emergency Management Performance Grants (EMPG) applications were sent to local EMAs by IEMA. The Lee County application was completed and returned before the deadline. As discussed last month, the award amounts are in flex, and it is unknown what the award amounts will be this year.

Director delivered a check to Reid at the treasurer's office from NIPARC for \$1333.00

The EMA Offices was contacted twice in response to calls for assistance with two separate lost children. One the east side of Lee County in the early morning hours, where the child was located before arriving on scene. The second in the City of Dixon. This child was in a hasta bed by local law enforcement.

The communication vendor updated all the StarCom21 radios in the Command Trailer including the portable radios with the new State SWIT and two new Lee County EMA talk groups.

In preparation for Amboy Depot Days an Incident action Plan (IAP) and Emergency Response Plan were developed. Two meetings were held with all responsible parties so everyone would have the opportunity to have input. The plans were finalized and distributed for the Amboy event. AT&T FirstNet deployed a cell site on wheels to enhance communication for FirstNet first responder capable devices.

On August 11th at approximately 7:07 p.m., Lee County Deputies were dispatched to the area of Bloody Gulch Road near College Avenue for a "road rage" incident involving a firearm. Due to the nature of the call, officers from the Dixon Police Department also responded to the area. During the investigation, Deputies learned that a vehicle driven by 27-year-old Gary J. Patterson Jr. of Dixon had passed two vehicles on Pump Factory Road just north of Bloody Gulch Road. Patterson's vehicle was then observed pulling into a residence in the 700 block of Bloody Gulch Road. Staffing Update

From the Corrections Division, two correctional deputies graduated on August 9th from the Macon County Law Enforcement Training Center in Decatur. They are currently going through the field training process.

From the Patrol Division, two other deputies graduated on August 22nd from the Basic Law Enforcement Officer Academy at the Sauk Valley Community College – Law Enforcement Academy. They are also in the process of working through the field training programs.

Sergeant Matt McGrail is still away from the Department and on active military orders until mid-October. Deputy Joe Presley is off on vacation time prior to his active-duty service beginning on September 19th. His deployment will likely be over one year.

Unfortunately, we have lost two deputies over the past month to other ventures. Patrol Deputy Kyle Ranken has resigned, and he is leaving the sheriff's office for work in the private sector. Correctional Deputy Zach Hagemann has also tendered his resignation, and he is leaving for an opportunity in the private sector as well. We will be looking to fill those two positions as soon as possible.

A correctional deputy has also been off on extended medical leave as his wife was involved in a very serious personal injury accident.
