Alic Huss (Board Member) attended via Zoom.

## III. Public Attendees

Peyton Felix, reporter from Shaw Media, attended in person.

Discussion during attendance:

- Nancy Petersen reported that on the official vote by mail application postcard that was sent out by the Election Office there is an "I wish to opt out from future vote by mail postcard mailings" option at the bottom of the postcard. Anyone that checks this box, signs and dates, and returns the postcard to the Election Office will no longer receive the postcard. Last year the County spent \$16,839.23 to print and mail these post cards. If a voter changes their mind in the future and wishes to receive the postcard, they can contact the Election Office and be put back on the mailing list.
- Ali Huss attended the Recharge Energy Storage Summit in Portland, OR, in late June with Zoning Administrator Alice Henkel. Following are highlights from her report given during the meeting:
  - The sessions and focuses ranged from market drivers and change policies at the federal and state levels to the best storage practices and ever evolving safety requirements and standards around battery storage.
  - Presentations regarding the driving factors behind an entity that wants to produce battery storage systems.
  - The conference compared market analytics by comparing different approaches between California and Texas, these showed how changes come through mandates (California) and no mandates or initiatives whatsoever (Texas) and how they are achieving clean energy.

- There was a discussion regarding the interconnection lag with PJM and the reform needed in this area.
- IV. Approval of the Minutes from the Previous Meeting - (July 11, 2024)  
Minutes from the July 11, 2024, Executive Committee Meeting were accepted as presented without modification.
- V. Reports from Committee Chairs  
All committee chairs took the opportunity to report items discussed and motioned forward during their committee meeting. Dean Freil gave the report for County Services and Facilities and Maintenance because Jack Skrogstad and Tom Wilson were not able to attend the meeting.
  - A. *Sheriff's Report from Public Safety - Detailing events within the Department - Information Only*  
Clay Whelan asked that his report from Public Safety be added to the Executive Committee agenda so Board Members would be up to speed on the events happening at the Sheriff's Office.
- VI. Administrator Report  
Jeremy Englund reported that he continues to meet with regional City Managers to craft relationships and explore options for development opportunities. He explained that he is working diligently with the Financial Director, Treasurer, and Finance Chair to gap a \$1.4 million shortfall between budget requests and projected revenue.
- VII. Old Business  
There were not items under Old Business.
- VIII. New Business
  - A. *BAR Form - Hearing Officer for Zoning Petitions*  
Alice Henkel explained that counties across the state of Illinois are transitioning from a Zoning Board of Appeals format to a Hearing Officer format for the Zoning petitioning process. The Hearing Officer would need to be a licensed attorney. The change is being considered primarily because of the potential for conflicts of interest. She explained that this was not a negative reflection on the members of the Zoning Board of Appeals in any manner. Changes will need to be made to the County code, so a reasonable timeframe for the transition would be January 1, 2025.
