

Monthly GIS Department Report
February 6, 2025

Completed Activities:

- Processed parcel split and combination requests for December 2024.
- Maintained and updated GIS layers, including land use and other relevant datasets.
- Finalized 2024 zoning changes for the Zoning Department and uploaded them to EagleView.
- Updated and uploaded NG911 and 911 GIS layers to public safety mapping systems.

Ongoing Activities:

- Deploying the Special Event Operations solution for the Dixon Fire Department to improve safety planning and public safety monitoring during special events.
- Preparing City of Dixon GIS data for submission to SB Friedman Development Advisors.
- Calculating the annual contribution for new parcels using the Split Drainage Listing Report provided by the Clerk's Office.

Respectfully Submitted,
Sami Elarifi
GIS Coordinator
