

Lee County Highway Department
Report to the County Services Committee – FEBRUARY 2025

The following represents a report of notable Highway Department activities and explanations of requested board actions:

Status of Current Projects

- Bid Letting on 2/7/2025, bid tabulations are attached. Full and detailed bid tabulations were placed on the Lee County website on 2/07/2025.

Other:

- In addition to assembling projects for bidding, the engineering staff will continue inspection of approximately 75 bridges this month to comply with the Federal Highway Administration's National Bridge Inspection Standards.

Board Action Items:

- Joint Funding Agreement for Federally Funded Construction for Perry Road CIR/HMA Section Number 23-00356-00-RS
- Joint Funding Agreement for Federally Funded Construction for Brooklyn Road Bridge Replacement Section Number 22-00351-00-BR
- Resolution 25-PC-77 Text Amendment
- Award Bids listed on attached Bid Tabulation

Solid Waste

Electronics collection is closed for the season and will reopen again in April. The contract is in place with Dynamic Lifecycle Innovations for recycling E-waste in 2025.

Per the host agreement with Republic Services, a letter was sent to the landfill with the newly calculated host fees based upon the CPI increase from December 2023 to December 2024. The host fee for 2024 will be \$2.44 per ton for the first 1000 tons in a day and \$3.01/ton for tons over 1000 in a day. This represents a 2.89% increase from last year.
