Lee County Sheriff's Office

Public Safety and Court Services Committee

July 9, 2024

In the month of June, the Lee County Sheriff's Office logged 777 calls for service.

As far as notable calls for the month, the following incidents occurred...

On June 12th, Lee County Deputies responded to assist the Ogle County Sheriff's Office at an address in Lost Nation Subdivision. The sheriff's office had responded to the residence for a report of a male subject that was suffering from a mental health crisis in which he was also suicidal and homicidal. The Ogle County Emergency Response Team was activated and responded to the location. After numerous failed attempts to contact the subject, team members attempted to conduct a welfare check at the residence. Team members immediately came under fire after making entry to the premises. Three Ogle County Emergency Response Team members were shot and wounded during the incident. Gounaris was reported to be armed with two handguns, a fixed-blade knife, pepper spray and ballistic armor.

Two law enforcement officers were transported by ground from the scene to KSB Hospital in Dixon. The third law enforcement officer was flown to OSF St. Anthony Medical Center in Rockford and underwent surgery. The suspect, 32-year-old Jonathon Gounaris, was also shot and wounded. He was transported to KSB Hospital where he received surgery for his wounds.

After being treated at KSB Hospital for several days, Gounaris was taken into custody and charged with four counts of Attempted First Degree Murder, three counts of Aggravated Discharge of a Firearm, three counts of Aggravated Battery, and two counts of Possession of a Firearm without a Firearm Owner's Identification (FOID) card. Attempted First Degree Murder is a Class X felony that is punishable by a special sentence of 20-80 years in the Illinois Department of Corrections. Aggravated Discharge of a Firearm is a Class X felony that is punishable by a special sentence of 10-45 years. Aggravated Battery is a Class X felony that is punishable by a special sentence of 15-60 years. The charges are pending in Ogle County Court, and Gounaris is being held at the Winnebago County Sheriff's Office. The Illinois State Police has taken over the investigation, and it will later be reviewed by the Ogle County State's Attorney's Office.

Lee County has been dealing with numerous code violations over the past several years at the Magnuson Hotel, located at 443 Illinois Route 2 in Dixon. The owner had entered into an agreement on October 1, 2021, with the Dixon Rural Fire Department to make numerous repairs and remedy a multitude of code violations within specific periods of time. The repair efforts have since stalled, and the Dixon Rural Fire Department is spearheading the effort to either complete the necessary repairs or close the business. On June 14th at 9:00 a.m., representatives from the Dixon Rural Fire Department, Lee County Health Department, Lee County Zoning Office, and the Lee County Sheriff's Office distributed notices at the Magnuson Hotel. The documents were notifications to the occupants that the hotel will likely be closed to inhabitants on June 21st due to the numerous building, health, and safety code violations. An emergency injunction was filed in Lee County Courts and the closure of the facility was postponed. The matter is still pending with a mid-July court date.

On June 14th at approximately 2:00 p.m., a Deputy stopped a vehicle for a speeding violation on Rock Island Road. The driver of the vehicle was identified as 43-year-old Chad Payne of Rock Falls. A computer check revealed that Payne was wanted on a Whiteside County for Obstructing a Court Order. After the deputy asked Payne to step out of the vehicle, he quickly put the vehicle in gear and fled the scene. An Illinois State Police Emergency Radio Network (ISPERN) dispatch was put out to area law enforcement for Fleeing and Attempting to Elude a Police Officer. Due to the deputy knowing the identity of the driver, he did not pursue the vehicle. Shortly thereafter, the Sheriff's Office received a tip regarding Payne's possible whereabouts at an address in Rock Falls. Officers from the Rock Falls Police Department located the offending vehicle in the 600 block of 4th Avenue. Chad Payne was subsequently taken into custody and charged with Fleeing or Attempting to Elude a Peace Officer, Reckless Driving, and Speeding. Payne was released in accordance with pretrial release provisions of the Illinois SAFE-T Act.

Staffing Update

From the Patrol Division, two other deputies are still attending the Basic Law Enforcement Officer Academy at the Sauk Valley Community College – Law Enforcement Academy. Both of those deputies are slated to graduate from the academy on August 22nd. Sergeant Matt McGrail is still away from the Department and on active military orders until the beginning of October. The Department was recently
