 Re: Collegiate High School Updates

Collegiate High School has ended another school year with many things to celebrate. Following its proud tradition, CHS graduation rate was 100% for the 2023-2024 school year. We look forward to adding an additional 50 students for the 2024-2025 school year, bringing the total enrollment to 485 students.

Additionally, CHS is investigating embedding critical digital skill industry certifications across its programs, as well as exploring a partnership with an entrepreneurship education and training partner. Both priorities align with the College’s efforts through Academic Affairs to scale access to industry recognized credentials (MS Office, Google Docs, Coding, Cyber Literacy, etc.) for associate in arts (AA) students.

Summary of 2023-2024 Achievements:

Award Ceremony Results of GPAs by grade level are provided in this chart.
