Request for Qualification (RFQ) Construction Management Services for Remodel Building 510 First Responder and Public Safety Training Center (Design-Build)	Remodeling of the building will allow the College to offer more classes at a better quality in the Public Safety programs. These are typically high wage, high skill, and high demand jobs. Enhancing the quality the Training Center will allow NWFSC to further partner with area first responders and law enforcement to provide continued training and education for our area officials. Existing facilities and equipment are dated and do not adequately represent the equipment that graduates will be utilizing on the job. The College is preparing a design-build RFQ.	12/13/2023	Facilities	\$13,874,651
Request for Qualifications (RFQ) Architectural Design Services and Engineering Services Continuing Contracts	Services would include consultation/assistance with individual construction projects of less than \$7,500,000 (plus an annual increase based on the CPI), or basic planning and studying activities with a fee for professional services being less than \$200,000. The College wishes to prequalify multiple firms in each of the following four areas: architectural, mechanical/plumbing engineering, electrical engineering, and civil engineering.	05/30/2024	Facilities	Not to Exceed \$600,000, or 8% of \$7,500,000 total project cost
