*Data drawn from the 2023-2024 Salaries of Selected Positions, which is published annually by the Florida Department of Education.

**Data drawn from the 2024 Florida College System Fact Book, which is published annually by the Florida Department of Education. This enrollment data is drawn from Fact Book Table 2.2T Annual Unduplicated Student Headcount Enrollment for 2022-2023 showing all funded students enrolled in a course. Please be aware that this is a single data point for enrollment that provides a sense of overall size of student body at each institution, but it is not the only way that enrollment data is reported nor is it used for all reporting purposes at the College.

***Spreadsheet is sorted lowest to highest salary by this column.
